American and British English - the same, but different

American and British people speak the same language, English, but with some small differences.

- 1 Vocabulary Some words are different in British English, for example, they say postcode, not zip code; holiday, not vacation; and mobile phone, not cell phone. Some words have different meanings, for example, in American English, a purse is a woman's bag. In British English, a purse is a thing where women have their money and credit cards.
- 2 Color, favor, and other words that end in -or in American English end in -our in British English. Center, theater, and other words that end in -ter in American English end in -tre in British English.
- There are some small differences, especially prepositions. For example, British people say See you on Friday, but Americans say See you Friday.
- This is the really important difference between British and American English. American accents and British accents are very different. When a British person starts speaking, Americans know he or she is British, and vice versa.

WHAT AMERICANS WHO LIVE ABROAD THINK ABOUT OTHER COUNTRIES

Sarah, 36, is from New York. She lives in the UK. In the US, we work really hard. Sometimes we don't take vacations because we work so hard. British people are different. They only want to finish work and go home.

Jayne, 22, is from Connecticut. She lives in Argentina. Argentina is a beautiful country, and the people are very warm and friendly. They like to talk to foreigners and they are interested in other countries. Something I don't like is the weather in winter. Sometimes it's very cold.

Gaby, 30, is from Minnesota. She lives in Mexico.

My favorite thing in Mexico is the tacos al pastor. We don't have tacos al pastor in the US. Some people think Mexican food is spicy, but I love it. Everything about Mexico is great except the traffic in Mexico City. It's very slow.

Eric, 28, is from New York. He lives in Iceland. Iceland can be very cold and gray. And it rains a lot! For me, food is a problem. They eat a lot of fish and seafood here, and I don't like fish or seafood.

Christina, 21, is from California. She lives in Morocco. I love Morocco. Why? Because I like the culture, the art, the history. It's a beautiful country, too, especially the Atlas Mountains. The only thing I don't like? It's difficult for a woman to travel alone.

Doug's life can be difficult. People follow him on the street. They ask him questions about his brother, his brother's ex-wife, who is also very famous, and their six children. The paparazzi follow Doug's children and take photographs.

But it also has advantages. "I go to movie premieres and I meet famous actors. And when I call people and ask for money for Care to Learn, it helps when I say _____'s brother."

Doug is not jealous of his older brother. He is happy with his life. "I see the world of famous people from the outside. I can leave it, but my brother can't."

Read the article. Use the glossary to help you. How do you think Marjan feels at the end of a typical day? Choose from the adjectives in the list.

bored happy relaxed sad stressed tired

MOTHER

Marjan Jahangiri, originally from Iran, is one of the only women professors of cardiac surgery in Europe. She does more than 300 operations a year. She lives in London with her husband and their 17-year-old son, Darius.

Can you describe your daily routine?

I get up between 6:00 and 6:30 a.m., I get to work at 7:00, and my meetings usually start at 7:30. After that, I don't have a break. I have lunch at my desk. I often do two operations a day, and I also have lectures and more meetings. At home, I have dinner with my son. Between

9:30 and 11:30 p.m., I do research and I watch the news on TV. One or two nights a week I'm on call, so I probably need to do operations during the night. I often work on weekends, too. But that's OK - I think I have a great life because I love my work.

How do you balance work with your family life?

I spend a lot of time with my son. I want him to learn about hard work and good values, and I want to be an example for him. My husband is away a lot, but we talk on the phone every day. I think one reason why I am successful in my professional life is because he isn't at home all the time!

What do you do to relax?

I play the piano for an hour every day, late at night. I think it helps me with my operations – it's technical in the same way. I also go to the hair stylist twice a week. I do a lot of my research there! They turn

the music off for me, and I use the time to read all my academic papers.

CAN YOU understand this text?

Read the article once. What is unusual about David Guetta's life?

I wake up at about 1:00 p.m., and the first thing I do is go outside. I live in Ibiza, and I like having breakfast in the sun. I usually have fruit juice, eggs, fruit, and tea. I never drink coffee. After breakfast, I answer my emails for an hour. Then I go to the gym.

I never listen to music in the house, or even in the car, because music is my job. On a typical day, I spend two or three hours in my studio, and then another four hours at a nightclub. My work starts in the evening. I usually have dinner in a restaurant, and then I go to the club. I try to have a normal life, but my job isn't normal. I arrive at a club like a secret agent - I go in through the back door and security takes me to the stage.

I finish work at 4:00 in the morning. Security takes me out, and then I go home. After about four hours playing music, I'm very excited. My manager says, "Go home and sleep," but that's impossible. First I need to calm down. When I get home, I have a cup of tea, brush my teeth, and say, "Thank you for this wonderful life." I am 47 now, but I want to do this when I'm 60 or 80. I want to do this forever.

Hassan and Walid are brothers. They live in a small house in the desert, near the mountains, a long way from a town or village. They're very poor. They have no money and they have no animals. Their house only has two rooms. Every day is the same. They get up, and they have sweet black coffee for breakfast. Then Hassan works in the fields - but Walid just sits and looks at the hot, empty desert and the hot, empty sky. They live with their mother. She takes care of them, but she's old and tired.

One day she says, "We're poor and hungry. Why don't you leave here and find work? We need money for food and clothes."

"If you want some money, you have your silver ring - you can sell that," answers Walid.

"I can't sell it," she says. "It's your father's. Every night I look at it and remember him."

Hassan wants to help his mother, and he decides to leave home. His mother gives him bread, and water in a glass bottle. He kisses her, and he walks towards the mountains.

Hassan walks for five days through the mountains. The sun shines. At night, it's very cold. Then one evening, he arrives at a rich and beautiful palace. The prince in the palace welcomes 1 him. He gives him food and drink, and Hassan sleeps in a comfortable bed. There is one strange thing - the windows have no glass.

The next day, Hassan says goodbye. ²He wants to thank the prince and give him something, but he only has 3 his empty water bottle. He gives 4 it to 5 him. The prince is very surprised.

"What's this?" he says. "I can see through it! It's beautiful! It's wonderful!"

⁶He is very happy, and in return, he gives Hassan a box.

"Don't open 7 it until you get home," he says. "And be careful with it. It's very valuable."

Hassan walks through the mountains again, and after five days, he arrives home. Walid and 8 their mother watch 9 him open the box. He finds 100 gold coins inside. His mother is very happy! "Hassan, you clever boy!" she says. "Now 10 we can buy food and clothes!"

The next night, Walid makes a plan. "100 gold coins in return for a glass bottle," 11 he thinks. "If I give the prince my mother's silver ring, perhaps I can get 1,000 gold coins!"

So Walid gets up, goes very quietly into his mother's room, and takes 12 her ring from a box under her bed. The next morning, he asks his brother where the palace is, and he leaves.

READING

Read the introduction on the forum. What's special about the second Friday in July and the third Monday in January?

Psychologist Dr. Cliff Arnall says the happiest day of the year is the second Friday in July. It's easy to see why - it's summer, it's warm outside, the evenings are light, and it's the day before a weekend! And the third Monday in January is the most depressing day of the year. Why? Because it's winter, the weather is usually gray and cold, the days are dark, and Monday is the first day of the working week. People are also often short of money after Christmas, and some people feel bad after breaking their New Year's resolutions.

THE MOMENT I WAKE UP...

Getting up in the morning is hard, but for many people, music seems to help them start the day. There is actually a list of perfect "wake-up songs" compiled by a psychologist, David M. Greenberg, using data from the music download website, Spotify.

When choosing the perfect "wake-up songs," Greenberg considered things like how the music builds up, positive lyrics, and strong rhythm. He says that the music needs to start gently, and then slowly build up to help people to wake up. It must have positive lyrics to change people's mood from

change people's mood from bad to good. The rhythm also needs to be strong, with a lot of bass and drums.

Greenberg's top choice of song is Viva La Vida, by Coldplay, which has all the three necessary elements. "Science shows that music affects us in all kinds of ways, including emotionally, physiologically, and in the brain," he says. "The right music

 like Viva La Vida, with its positive energy and strong momentum

 can help you wake up and feel energetic for the rest of your day."

What's your favorite "wake-up song"? Leave your comments below.

Comments:

- Mine is definitely Say a Little Prayer by Aretha Franklin.
 I always play it first thing in the morning. Sandy
- I like getting up to a song by Imagine Dragons, called On Top of the World. I think it fits Dr. Greenberg's criteria because it's really positive! Martha
- I hate listening to music when I wake up. I prefer listening to the early morning news. Then I can start the day knowing what's happening in the world. *Martin*

NEW YEAR'S EVE-ONE TO REMEMBER OR ONE TO FORGET?

MINA This was last year, and I went to a hotel with some friends. It had a restaurant on the top floor, and that's where the party was. We got there at 05 about 11:00. About half an hour before midnight I realized I didn't have my phone - it was in my car. So I took the elevator down to the parking lot. I found my phone, and then I got back into the 10 elevator - I was the only person in it. But then, between the third and fourth floors, the elevator stopped completely and I couldn't get out. I pressed the button and asked for help, but a guy said there 15 was an electrical problem and I needed to wait. Then a few minutes later, I could hear people outside celebrating. It was awful - I didn't get out until almost 1:00 in the morning. And on top of it all, my 20 friends didn't realize that I wasn't there!

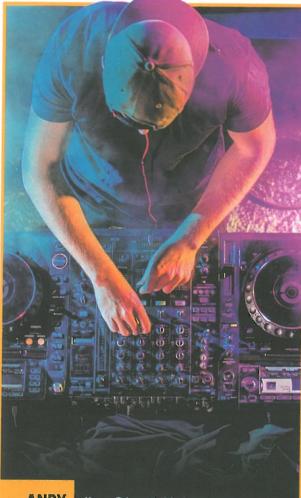

I had a fantastic New Year's Eve in Iceland in 2013. First, we went to a really expensive restaurant for dinner. It was early, about 6:00, because that's when people have dinner in Iceland. I wore a fantastic dress, but after dinner we got a taxi back to the hotel and I put on boots and a warm 25 jacket. Then we went out and watched the amazing fireworks. Suddenly, at about 10:00, everyone went home to watch TV - there's this famous TV show they always watch on New Year's Eve! It was really strange – the streets were empty for a little bit. But then just before midnight, people came out again and danced and sang till about 5:00 in the morning. It was incredible.

CAN YOU understand this text?

- Read the article once. Do you have any favorite detectives or detective writers?

 - 1 Gillian Flynn and Lee Child are modern crime writers.
 - 2 Sherlock Holmes only appeared in short stories.
 - 3 Agatha Christie's novels were similar to older crime fiction.
 - 4 She wanted her readers to try to solve the crimes themselves.
 - 5 If you read detective fiction from the 19th and early 20th century, you can learn about how people thought and behaved.
 - 6 Not many people now enjoy Dorothy Sayers's books.

How the modern detective novel was born

Millions of readers, like me, love the books of Gillian Flynn and Ruth Rendell, of Lee Child and Laura Lippman. But most fans of modern crime fiction know very little about the writers who invented the modern detective novel.

Many of the best early detective stories were short stories. Edgar Allan Poe (1809-1849) was probably the author of the first detective story. Arthur Conan Doyle (1859–1930) created perhaps the most famous detective, Sherlock Holmes. Father Brown was also a detective who was nearly as popular as Holmes; he was created by G.K. Chesterton (1874-1936). Father Brown only appeared in short stories, and Sherlock Holmes appeared in over 50 short stories and only four novels, including The Hound of the Baskervilles, where he solves the mystery of an enormous ghost dog.

In 1916, in her book The Mysterious Affair at Styles, Agatha Christie introduced a new type of detective novel, and a new detective, Hercule Poirot. This book was a little bit different because the plot was more important than the characters and the writer asked readers to guess the name of the murderer. Later, in the 1930s and 40s, Dorothy Savers wrote detective novels where the relationships between the characters were sometimes more interesting than the plot.

Reading can give us a fascinating view of the past, and when we read these detective stories and novels, we can also learn something about how people lived and thought in the 19th and 20th centuries. These authors are still very popular. They influence present-day authors, such as J.K. Rowling, and they are probably going to inspire crime fiction for decades to come.

 - 3 Does he ever get bored of it? Why (not)?
 - 4 Do you think Nathan's diet is healthy?
 - 5 Is there a meal where you eat the same thing every day? What?
 - 6 Would you like to try wearing the same clothes or eating the same food every day? How long do you think you could do it for?

Steve Jobs, Mark Zuckerberg, and Albert Einstein have one thing in common. They all wear, or wore, more or less the same clothes every day. Why? Because if you wear the same clothes every day, you don't waste time choosing what to wear. I decided to copy them, but with my diet, so I eat the same food every day. This is what I have:

- breakfast: a cup of black coffee
- lunch: some smoked salmon, an avocado, and some cream cheese on a piece of bread
- dinner: some bacon, two eggs, some cheese, and some green vegetables

The good thing about this plan for me is that I spend less time and money buying food, and I also never need to worry if my diet is healthy or not (because I know it is). Now, you're probably thinking, "he's sure to get tired of eating the same food every day." Well, after about a year, I can promise you that I'm not. I change my meals a bit by having different kinds of cheese and using different herbs and spices. I also change the vegetables that I have for dinner.

5 WRITING

Imagine you want to advertise your town or city for tourists. Write an advertisement using superlative adjectives. Add photos if you can.

Come to Eagle Rock! It isn't the cleanest or the most beautiful part of Los Angeles, but it has the nicest people and the best tacos...

The most dangerous place in the world to cross the street

If you want to cross the street in most countries, you wait for a gap in the traffic, and then you cross. But not in Ho Chi Minh City, where there's never a gap in the traffic. Apart from the cars, trucks, bikes, and buses, there are millions of motorcycles and scooters, which are the most popular form of transportation in Vietnam. Crossing the road is an adventure, and many tourists find it impossible. So, what can you do?

Keep walking. The receptionist at my hotel told me, "When it feels right, walk into the road. The most important thing to remember is to keep walking. Don't stop. Don't run. Don't look left or right. And don't walk in front of a bus, because they can't stop easily."

Cross with a local person. They know what they're doing, and this is the safest way for beginners. I looked for a middle-aged local man and I crossed the road with him. I made sure that he was between me and the traffic, and I prayed as I walked next to him.

And I got to the other side!

Cross in a group. I met some students who were happy to walk across the street with me. But this time, when I saw a car coming straight at me, I stopped and put up my arm (like a traffic police officer). This was a big mistake.

Find a police officer. There are really nice police officers in green uniforms, and their job is to help frightened tourists cross the road.

Take a taxi. For one or two dollars, they take you anywhere you want to go.

"Good afternoon," said Jane. "I want to see Madame Yolanda, the fortune-teller."

"Madame Yolanda is not here today," said the man. "But don't worry. I'm going to tell you about your future. What questions do you want to ask?" Jane looked at the fortune-teller. She couldn't see him very well because the room was very dark.

"No. Jim is a man I met at a party last month. He's an actor, from New York. He says he's in love with me. It was his idea for me to come to Madame Yolanda."

"Well, the card says that you're going to fall in love with him."

- B Would you like to sleep in a mine? Then book the underground suite in Sala Silvermine in Sweden, and enjoy the world's deepest bedroom, 508 feet below the surface. Although the corridors are cold and dark, your rooms are warm (64°F), and the light comes from candles in beautiful silver candlesticks. You can also explore the caves and magical lakes with a guide. There are no other guests, so it's not for nervous people. Cell phones don't work, but you have a radio for emergencies. In the morning, they bring breakfast down to you. Perfect for romantic couples who like a little bit of adventure.
- You don't need to travel to the Arctic Circle to spend time with Siberian huskies. At the **Husky Lodge** in the mountains of Switzerland, dog-lovers can sleep in cabins, heated with wood fires, next to the dogs' kennels. During the day, you can join in with their training runs. They pull sledges in the winter and bikes and carts in the summer. In the evening, there's an excellent restaurant. And if you have to work, there are three rooms for small conferences and seminars. If you can't afford the cabins, there's a campsite, too though maybe only in summer!

THINGS I DIDN'T KNOW UNTIL I GOT HERE

What was a surprise for you when you came to live in the US?

LENA FROM UKRAINE

When I eat out with my husband or friends, we usually share because serving sizes are huge and we don't want all that food. But you can take home everything you don't eat, and I like that.

In the winter, you often see people on the street or the subway who are wearing just a T-shirt when it's really cold outside.

RAHIM FROM PAKISTAN

When people speak to their boss (and to their teachers), they call them by their first name. They do the same to old people, too, even when they don't know them well. It doesn't seem polite to me.

NATASHA FROM BELARUS

The American president's salary is about the same as a doctor's. He isn't the richest person in the country. That surprised me! Some hospitals are like smart hotels - but a lot of people can't go there because they don't have medical insurance. Also, doctors don't always explain everything to their patients in my country. Here, they tell you everything.

TARA FROM INDIA

I couldn't believe the tipping system, for example, in places like a hair salon. You cut my hair and I pay you - a lot! Why do I need to give you a tip too?

Public transportation can be dangerous in India. But I was on the subway here in New York, going home late at night, when a group of people got on. They were very loud and we were frightened. But at the next stop, two police officers got on. The people stopped shouting when they saw the police. I felt really safe.

JULIE FROM CANADA

My husband is from Ecuador, and when he first arrived, he was really surprised by his salary. As a chef, he could earn enough money to pay bills, buy food, pay rent, have a good social life, and buy luxuries like our Xbox. In Quito, he worked 15 hours a day, and more on the weekend, and he earned half the money.

About me

Hi! I'm Stef, a traveler from Germany with a passion for travel, food, and photography.

During my studies, I worked in the Canary Islands and in Argentina and I studied for two semesters in the UK. After I finished, I decided that I didn't want to work for the rest of my life. I was 21 and couldn't imagine sitting in an office for the next 40 years or more. So, I decided to go to Australia on os a working vacation visa. First, I worked for six months in Germany because I needed to save some money. I went to Sydney at the end of 2011. I spent Christmas on St. Kilda Beach in Melbourne, I worked in a restaurant, and then I traveled all over Australia and New Zealand.

Some months passed, but finally I realized what I wanted to do with my life, at least for now. Having experiences is 15 very important to me – more important than working in an office all week to pay for an apartment that I hardly ever spend time in, and to buy things I don't really need. Three months ago, I left my job. I decided to work in different 20 jobs, sometimes here, sometimes abroad, sometimes as a volunteer,

Life before the internet

This morning in the office somebody mentioned "carbon paper." "What's that?" our intern Francesca asked. She genuinely had no idea. For all of you who are too young to remember, we used carbon paper to make one or two copies of a document as it was typed. That's where the term "cc" or "carbon copy" came from. After that conversation, we started to remember life before the internet. Can you remember any of these?

FAX MACHINES Sending an email is so easy these days, but some years ago, when you needed to send something to somebody urgently and the mail was too slow, you sent a fax. When they were introduced in the 1970s, people thought they were a technological miracle. "You can print something and send it over the phone in seconds! Magic!" Yellow

THE YELLOW PAGES If you needed to make an appointment with your hair stylist or call for Chinese take-out, what did you do? You looked up the phone number or address in a big fat yellow book - the Yellow Pages. Amazingly, it still exists online.

WALKMANS This is how we listened to music. A Walkman was a lot heavier than an MP3 player! And if you didn't have the cassette or CD of a song, you couldn't listen to it.

A THOMAS GUIDE If you had a meeting or job interview, or you wanted to go to a new restaurant in a part of town you didn't know, what did you always take with you? Your Thomas Guide maps. And your reading glasses to read the street names, because they were so small!

Read the reviews of Pizza West once. Which review is most positive and which is most negative?

ALAN

I go here often because it's very close to my apartment. The pizza is OK, and it's not too expensive. The atmosphere

is great, perfect for a Friday or Saturday night. It's very popular, but if you don't mind waiting, you can usually get a table. Or book online!

STEVE AND JANE

Very expensive. In most pizza places. we usually pay about \$15 for a pizza: here it's \$22 for more or less the same

thing! The food is fine, but we definitely aren't going to eat there again.

SARAH

We've been here a lot and we always enjoy it. The menu is very good, and they have great appetizers as well as

pizzas. We went yesterday for an early dinner with our three-year-old daughter and they really made us feel at home - and they served a delicious birthday cake for her. Great food, friendly waiters, fantastic atmosphere.

BRIDGET

We booked a table, but when we got there, they asked us to sit with a lot of other people at a big table. We didn't

want to because there were only two of us. Then they asked us to wait until a different table was free, so we waited for 45 minutes! But I recommend it because the food is excellent!

The pizza here isn't the best I've tasted, but it's OK (and the salads are delicious). The service is a little bit

slow and the place is very busy - it can be really noisy. However, the atmosphere is great and it's obviously popular. Not the place for a romantic dinner - it's more of a fun, exciting place.

b Read the reviews again. Match them to the sentences. Who (A-E)...?

- 1 ____ says the waiters are nice
- 2 ____ says the food is too expensive
- 3 ____ says they have had better pizzas
- 4 ____ lives near the restaurant
- 5 ____ didn't like the table when they arrived
- 6 __ went for a special family meal

- c Listen to A describe life in Ikaria. What do the two places have in common?

Nicoya, Costa Rica

Nicoya is in northwest Costa Rica, near the border with Nicaragua. Most of the people who live there are farmers. In Nicoya people eat small meals. They usually have beans, rice, sweet potatoes, and sometimes a little meat, an egg, or some cheese. They also have some unusual fruits, for example, the *marañón*, a fruit similar to an orange, with a lot of vitamin C. They drink a lot of water – the local water is unusually rich in calcium and magnesium.

They are very active during the day – they work outside, and they walk everywhere, or ride horses. They don't watch television and they don't use the internet, so they go to bed when it's dark and get up when it's light. They sleep well, usually eight hours a night.

All people in Nicoya have something called a *plan de vida*. It means "a reason to get up every morning." This may be work or family, and it's what makes even people who are over 100 still feel necessary.

My favorite day

March 24 #favorite#weekend#family#food

My favorite day of the week is Saturday because it's the first day of the weekend!

I get up very early during the week, so on Saturday it's nice to get up late, and I always stay in bed until about 10:30. Then I usually go shopping with a friend. In Mexico, stores are sometimes closed on Sundays, so Saturday is the only day for shopping. We don't always buy something, but we have fun just looking.

I often have lunch with my mother and my brother. It's great because my mom is a really good cook — she always makes things we like, and my brother and I have time to talk about our week. After lunch, I sometimes study from about 4:00 to 6:00, especially if I have exams.

In the evening, I usually go out with my friends. We often go to the movies, and after that, we have a pizza or tacos. I never go to bed before 1:00, or sometimes later.

The kitchen is small, but it has a stove, a refrigerator, and a dishwasher. There's a sofa bed in the study, so you can use it as an extra bedroom. The bedrooms have a great view of the Pacific Ocean — you can see the sun set over the ocean in the evening. There isn't a yard, but the apartment building has a beautiful community swimming pool. The apartment is a five-minute walk from stores, restaurants, and a bus stop. It's also about a 30-minute car ride from downtown Los Angeles.

Darius Two or three hours. It's my last year at school and I have my A levels this summer. I need to do really well to get into a good university.

Interviewer Do you watch TV in the evening?

Darius No, never. I don't have time. When I finish my homework, I practice the piano and then I go to bed.

Interviewer What time do you go to bed?

Darius At about ten-thirty. I'm usually so tired
I go to sleep right away. All I really do these
days is study, eat, and sleep.

Interviewer So no social media or anything like that?

Darius Well...I do spend a little bit of time on Facebook. But not much, I promise!

The best (or worst) thing about the weather in Chicago is that it's always changing. It can be very hot or very cold. In the summer, it's mostly sunny and sometimes cloudy, with temperatures of about 84 degrees. And of course, sometimes

In the winter, the temperature is usually between 29 and 14 degrees. It can be below freezing (32 degrees) for weeks at a time. Brrr! It snows about 38 inches a year.

In the spring and the fall, the weather is very changeable. You can have all four seasons in one week. It can be cold and snowing on Monday, cool and foggy on Tuesday, and warm and sunny on Wednesday. I always tell tourists to bring a winter coat, gloves, sunglasses, sandals, and an umbrella when they visit Chicago in the spring and the fall—that way they are prepared for any kind of weather!

But one thing that isn't always true about Chicago is the wind. Even though Chicago's nickname is "The Windy City," it's not always windy there. In fact, Boston has more windy days a year than Chicago. Some people think Chicago's nickname is from politicians who talk too much!

Part 3 Walid walks for five days through the mountains. The sun shines, and at night it's very cold. Then one evening, he finds the palace. The prince welcomes him and gives him food and drink, and a comfortable bed. But Walid can't sleep. He's thinking about the 1,000 gold coins.

The next morning, he says to the prince, "I want to say thank you to you. Please have this silver ring. It's my mother's."

The prince is very happy. "This is a beautiful ring," he says. "Thank you. Let me give you something in return."
He gives Walid a box. "Don't open this until you get home," he says. "Be careful with it. It's very, very valuable."

Walid runs through the mountains, and after three days, he arrives home.

"Where's my silver ring?" shouts his mother. "Don't worry about your ring!" says Walid.
"Look at this!"

Hassan and their mother watch as he opens the box. Inside he finds...

This painting is a self-portrait by the Dutch painter Vincent van Gogh.

Van Gogh was born in the Netherlands on March 30th, 1853. His parents weren't poor - his father was a church minister, and his mother was an artist. Van Gogh's first job was in his uncle's company, selling paintings, but later he was a teacher, and finally a painter. We only really know what he looked like because of his many self-portraits. Only three photographs of him exist, and they are all from when he was young. This portrait is from his time in Arles in the South of France, in 1888, when he was 35. He was very poor, but he was happy because of the beautiful light and colors there. This portrait was a present for his friend, the painter Paul Gauguin. Gauguin and van Gogh were together in Arles for a month. Van Gogh was not strong mentally, and the relationship between them was difficult. After a big fight, van Gogh cut off his ear, and was in a mental hospital for some time. He died on July 29th, 1890. He was only 37 years old. His paintings weren't popular during his lifetime, and he was never rich or famous. But today, people think that Vincent van Gogh is one of the greatest painters in the world, and his paintings, like Sunflowers and The Starry Night, sell for millions of dollars.

Edward Gamson lives in Washington, D.C. A few years ago, he and his friend Lowell decided to go on vacation to Granada in Spain. Edward wanted to visit the Alhambra, a famous palace. They researched flights online and booked tickets for the two of them. Their tickets were expensive, but Edward decided to spend extra money on first-class seats. On the day of their flight, they arrived at Dulles Airport and parked their car in the long-term parking lot. Edward and Lowell

checked in for the first part of their trip. They traveled safely to London, changed planes at Heathrow Airport, and settled into their second flight. Twenty minutes into the flight, Lowell looked at Edward with surprise.

Lowell Edward, I think we're going west and not south to Granada.

Edward Hmm. Let's ask the flight attendant. Excuse me, why aren't we going south to Spain?

Flight Attendant Spain? We're not going to Spain. We're going to Grenada, the island in the Caribbean.

Edward The Caribbean? But I booked tickets to to Granada, Spain.

Flight Attendant Let me check your ticket. Oh, I see. I'm really sorry, but your ticket isn't for Granada, Spain. It's for Grenada, in the West

Edward No, it can't be.

Flight Attendant I'm very sorry, but it is. Look, it clearly says Grenada – it's spelled correctly.

Lowell I don't believe it. Edward, did you check

the airport when you booked?

Edward Well, no, I didn't. I was in vacation mode and I didn't think about it.

Lowell Ugh! What are we going to do?

Flight Attendant When we land, you need to book new tickets to fly from Grenada in the Caribbean to Granada in Spain.

Friend What was your best ever New Year's Eve? One you always remember?

Denisa Oh, definitely 2014, when I was in Rio. Friend Who were you with?

Denisa I was with my boyfriend Marcelo, who's Brazilian.

Friend Why was it so special?

Denisa Well, Brazil has special traditions for New Year's Eve, and they were all new for me. For example, it's a Brazilian tradition to wear white clothes for New Year's Eve because white is a symbol of peace, so I wore a beautiful white dress that Marcelo's mother bought me. I have a photo somewhere on my phone. Yes, here, look!

Friend How pretty. So what did you do? Denisa Uh, let me think. Well, first we had a typical New Year's Eve dinner with Marcelo's family. And then, I guess it was about ten, we got a bus to Copacabana.

Friend What was the atmosphere like there? Denisa Oh, it was amazing! The streets were already full of people. We went to a show at a place near the beach. It was great, and we danced the samba.

Friend Wow. Were you there at midnight? Denisa No, no. When we saw it was almost midnight, we went to the beach, and the typical countdown started, you know - ten, nine, eight...Happy New Year! Everywhere we heard the sound of people celebrating, and we watched the wonderful fireworks.

Friend It sounds great. What did people do when the fireworks finished?

Denisa Most people went to other parties, or they went home.

Friend And what about you?

Denisa We decided to go to a different beach, a beach called Praia do Arpoador, and we took our first swim of the new year. It was magical.

Then the detective questioned Barbara Travers. Detective What did you do after dinner yesterday evening?

Barbara After dinner? I played cards with Gordon, and then I went to bed.

Detective What time was that?

Barbara It was about eleven thirty. I remember, I looked at my watch.

Detective Did you hear anything in your father's room?

Barbara No. I didn't hear anything.

Detective Miss Travers, did you have any problems with your father?

Barbara No, I didn't have any problems with him at all. Daddy was a wonderful man and... a wonderful father. I'm sorry, Detective.

Detective Don't worry, Miss Travers. No more questions.

3 8.5

Next, the detective questioned Gordon Summers.

Detective What did you do after dinner, Gordon?

Gordon | played cards with Barbara. Then she went to bed.

Detective Did you go to bed then? Gordon No. I stayed in the living room, and I had a cup of tea. Then I went to bed.

Detective What time was that?

Gordon I don't remember exactly. I didn't look at the time

Detective Did you hear anything during the

Gordon No, I didn't. I was very tired. I slept very

Detective You and Mr. Travers were business partners, weren't you?

Gordon Yes, that's right.

Detective And it's a very good business, I understand.

Gordon Yes, Detective, it is.

Detective And now it's your business. Gordon Listen, Detective, I did not kill Jeremy. He was my partner, and he was my friend.

Finally, the detective questioned Claudia Pasquale.

Detective What did you do yesterday evening, after dinner?

Claudia | went to my room and I took a bath and I went to bed.

Detective What time was that?

Claudia About 11 o'clock.

Detective Did you hear anything?

Claudia Yes. I heard somebody go into Jeremy's room. It was about 12 o'clock.

Detective Who was it?

Claudia It was Amanda, his wife.

Detective Are you sure? Did you see her? Claudia Well, no, I didn't see her. But I'm sure it was Amanda.

Detective You were Mr. Travers's secretary, Claudia.

Claudia Yes, I was.

Detective Were you just his secretary?

Claudia What do you mean?

Detective Were you in love with Mr. Travers? Claudia No, I wasn't.

Detective The truth please, Claudia. Claudia Fine, Detective. Yes, I was in love with him, and he said he was in love with me. He said he wanted to leave his wife - Amanda – and marry me. I was stupid. I believed him. But he didn't leave her. He used me, Detective! I was very angry with him.

Detective Did you kill him?

Claudia No, Detective. I loved Jeremy.

Barbara Let's go upstairs. Follow me...Be careful. The ceiling is very low here.

Leo It's a very old house.

Barbara Yes, the house is 300 years old. My family lived here for nearly 80 years. There are six bedrooms. This was my father's bedroom.

Kim Is there heat in the house?

Barbara Yes, there is. Why do you ask? Are you cold?

Kim Yes, it's very cold in here.

Leo That's because we're from California.

Barbara Let's go and see the other bedrooms. Leo Yes, of course.

Leo Well, what do you think, Kim? I love it! Don't you?

Kim I'm not sure. There's something about the house I don't like.

Leo Kim, it's perfect for the kids. Think of the yard. And it's a real, authentic country house. What do you say?

Kim I guess so. If you're sure. Leo I am sure! Miss...uh, Barbara. We want it. We want to rent the house.

Barbara Excellent.

Leo When can we move in?

Barbara As soon as you like.

Leo Hello.

Waiter Good evening, sir, madam. What can I get you?

Kim How about a coffee? I'm still cold.

Waiter Yes, madam. And you, sir?

Leo You know, I'm cold, too. I'll also have a coffee, thanks.

Waiter Here you are!

Leo Well, here's to our new house!

Kim Yes!

Waiter You're new around here, aren't you?

Leo Yes, that's right.

Kim We just rented the big house on Darwin Road.

Waiter Which house? The Travers family house? Leo Yes.

Waiter Oh.

Leo Is something wrong?

Waiter Who showed you the house? Kim Barbara. The old lady who lived there

Waiter Ah, Barbara. Old Mr. Travers's daughter. Some people thought that she was the one who did it.

Kim The one who did what? What happened?

Waiter Didn't she tell you?

Kim Tell us what?

Waiter About the murder.

Leo & Kim Murder?

Waiter Yes, Mr. Travers was murdered in that house in 1965...in his bed.

Kim Oh, how horrible!

Waiter The man who killed Mr. Travers was Barbara's lover. The family never lived there again. They tried to sell the house, but nobody wanted to buy it. Not after a murder. That's why that house is always rented. Barbara never married, of course.

Leo Kim?

Kim Yes?

Leo Are you thinking what I'm thinking? Kim Yes - I don't want to live in a house where somebody was murdered. Come on. Let's go. Waiter Hey, hey, your coffee! You didn't drink your coffee...Ah, well.

1 We stayed at The Roosevelt Hollywood for two nights. It's a really nice place - a very elegant, very LA hotel. The service, atmosphere, and room were excellent, and we really enjoyed our stay. But we had a really strange experience. On the first night, we woke up at

3:30 in the morning. There was a strange noise outside our door, like someone softly playing a trumpet. To tell you the truth, we were a little bit frightened. Why would someone play the trumpet in the middle of the night? Then we thought that it was probably another guest in the hall, and maybe they were listening to music on their cell phone or something, and we went back to sleep. But on the second night, the same exact thing happened. So we just thought, strange, maybe it's because it's an old hotel and the walls are thin. But when we got home, we told the story to a friend, and he told us that The Roosevelt Hollywood is haunted. We looked on the internet, and we read that people say that room 924 has a ghost! And our room was 922, the next room! We sent an email to The Roosevelt Hollywood and told them about it, and they sent us some really interesting information about the ghost stories. We'd really like to stay in this fantastic hotel again, but maybe not in room 924!

I stayed at The Roosevelt Hollywood in May of last year with my husband. It's a beautiful hotel, with a great location. It's right on Hollywood Boulevard. We were in a room on the eighth floor. We knew that people said there were ghosts, and we knew about room 924, but we weren't worried at all. We had a nice meal at a nearby restaurant and then we went to bed. But in the middle of the night - about 3:00 in the morning - we suddenly woke up and we could hear loud noises from the room above us. They were really loud noises - like people were dropping their heavy suitcases on the floor. Anyway, after two or three minutes, the noises stopped and we went back to sleep. There weren't any more strange noises, and we slept for the rest of the night. The next morning, we went to reception and said, "We slept very poorly last night - the people in the room above us made so much noise." The man at reception asked for our room number and said, "Let me check." He looked on the computer and he said, "The room above you is empty." So I said, "Are you sure?" And he said, "Yes. The room above yours is room 924. There wasn't anybody in that room last night." We checked out of the hotel the same morning. Never again!

Woman We need food for the weekend – can you go to the store on your way home this

Man OK, I guess so. What do we need? Woman Let's see. We need some coffee, we don't have any.

Man OK...coffee...

Woman And some milk. And some juice. Man Orange juice?

Woman Yeah. And maybe apple juice, too. Man OK. What else?

Woman Get a pineapple if they have them. Man One pineapple...

Woman And some oranges - four or five oranges - and some bananas. And I want to make a vegetable curry, so get some onions, some potatoes, some tomatoes...

Man Hold on, wait a minute...! Potatoes... Woman Yes, two or three big ones. Oh, and forget the tomatoes - we have some in the refrigerator. And a bottle of soda.

Man Coke? Pepsi?

Woman Any kind is fine. Oh, and some lettuce, I want to make a salad.

Man Some lettuce...Do we need any tomatoes? Woman No, I said no tomatoes!

Man Sorry, yes, you did. Is that everything? Woman Yes, I think so. And don't forget anything!

- 1 This is for my foodie friends. In case you thought lettuce was only for salads, here I'm cooking it in some butter with an onion. Then I add some mushrooms, chicken, fresh tomatoes, and some other things - not sure yet. Lettuce is also great in soups, or you can grill it and serve it with blue cheese.
- 2 We didn't feel like cooking last night, and besides, we didn't have any food in the house, so we decided to order some take-out salads from our wonderful local pizzeria. They were all very good, but my favorite was a chicken salad with carrots, tomatoes, peppers, lettuce, and some pieces of fried
- 3 Brunch Sunday afternoon at a restaurant in the East Village, called Timna. We had lots of different sharing plates. I loved everything, especially this dish called *shakshuka*, which is North African, and it's basically eggs in a tomato sauce, but the mixture of herbs and spices makes it taste great. And the bread we had to dip in the sauce was wonderful, too. Go there. Soon.
- 4 OK guys, this is it! Our Thanksgiving dinner which we had at 6:30 last night. All the usual things: turkey with cranberry sauce, mashed potatoes, sweet potatoes, lots of vegetables, and more...and more...Mom said, "why not go to a restaurant this year, maybe have seafood," but I said, "no – I want it homemade and traditional" – so she did it. Thanks, Mom. I now need to spend a few hours on the sofa before I even think about going to bed. So how was yours?

- 1 A Hi. I'd like a bottle of oil.
 - B Olive oil?
- A Yes, please.
- 2 A Can I help you?
 - B Yes, I'm looking for a package of rice.
 - A Ordinary rice, basmati, brown rice?
 - B Uh, basmati, please.
- 3 A Excuse me. I need a can of tomatoes, but I can't find them anywhere.
 - B They're over there, next to the pasta.
 - A Thanks.
- 4 A Hi. I want a box of chocolates a nice one. It's for my girlfriend's birthday.
- B How much do you want to spend?
- A Oh, not very much, I mean, nothing too expensive.
- 5 A A carton of juice, please.
 - B Apple juice? Orange juice?
 - A Uh, orange juice.
- B That's \$2.59, please.

Host Question 1. What is the population of the Canada? Is it approximately a, 27 million, b, 37 million, or c, 57 million?

Contestant I think it's b, 37 million.

Host B is the right answer! Question 2. How far is it from New York City to Los Angeles? Is it a, about 1,500 miles, b, about 2,500 miles, or c, about 3,100 miles?

Contestant About 3,100 miles.

Host Are you sure?

Contestant Yes. I'm sure.

Host C is the right answer! Question 3. How many politicians are there in the British Parliament? Is it a, 450, b, 650, or c, 750?

Contestant I think it's c, 750.

Host Final answer? I'm sorry, the right answer is b. There are 650 politicians in the British Parliament.

Host Good evening. Welcome to Quiz Night. Our first contestant is Eddie from Washington, D.C. Hi, Eddie. Are you nervous?

Eddie No, not really. I think I'm, uh, ready.

Host Well, let's hope so. The rules are the same as always. I'm going to read you some sentences, and you have ten seconds to say if the sentence is true or false. If you get the first answer right, you win \$100. Then for each correct answer, you double your money, so if you get the second answer right, you win \$200, and for the third correct answer, you win \$400. For eight correct answers, you win \$12,800. But if you get an answer wrong, you lose all the money. Remember, you can also call a friend, so if you're not sure about one of the answers, you can call your friend to help you. Is that OK, Eddie?

Eddie Yeah, OK.

Host OK, Eddie, first question for \$100. A whale can make a louder noise than a lion. True or false?

Eddie A whale can make a louder noise than a lion. Uh, true.

Host Correct. Blue whales can make a sound of up to 188 decibels whereas a lion's roar is never more than 114 decibels. Ro-a-rrrr. Now, for \$200, World War I was shorter than World War II. True or false?

Eddie Uh, I think it's true.

Host Correct. It's true. World War I lasted four years, from 1914 to 1918, but World War II lasted six years, from 1939 to 1945. Next, for \$400, the American movie industry is bigger than the Indian movie industry.

Eddie I think it's false. You know, Bollywood and all that is huge. I think it's false.

Host Correct. The Indian movie industry is much bigger than the American one. It produces about 1,000 movies every year, which is double what Hollywood produces. In fact, the US isn't even the second country that makes the most movies, which is Nigeria. Next, for \$800, in July, Seattle is hotter than Sydney. True or false?

Eddie In July, Seattle is hotter than Sydney.

Host Correct. The average temperature in July in Seattle is 75 degrees Farhenheit, and in Sydney it's 62 degrees Farhenheit. Of course, Australia's in the southern hemisphere, so it's winter there. Next, for \$1,600, silver is heavier than gold. True or false?

Eddie Uh, true. No, uh, false.

Host Do you want to call a friend?

Eddie I think it's false. I remember from science class at school. Gold is heavier than silver.

Host Correct. Gold weighs about 10.16 ounces per cubic inch and silver weighs only 5.53 ounces. That means that gold is almost twice as heavy as silver. OK, for \$3,200, the mountain K2 is more difficult to climb than Mount Everest.

Eddie Uh, true.

Host Correct. 30% of the people who try to climb K2 die, usually on the way down, whereas only 5% of the people who try to climb Everest die. OK, Eddie, now for \$6,400, driving in Italy is more dangerous than driving in the US. True or false?

Eddie Uh, I think that's a trick question. We all think Italians drive really fast, but maybe they're good drivers. I think it's false.

Host Good job, Eddie! It may be hard to believe, but in fact, out of every 100,000

people, six people died because of car accidents in Italy, compared to approximately 12 in the US. And finally, the last question. Be very careful, Eddie. If you get it right, you win \$12,800, but if you get it wrong, you get nothing. Are you ready?

Eddie Yes, ready.

Host OK, for \$12,800, it's better to exercise in the morning than in the afternoon.

Eddie Uh...uh.

Host Quickly, Eddie, your time is almost up. Eddie I think it's false, but I'm not sure. I want to call a friend.

Host OK, Eddie. So, who do you want to call? Eddie Sandra.

Host Is she your girlfriend?

Eddie Yes, she is

Host OK, then. Hello, is this Sandra?

Sandra Yes, it is.

Host I'm calling from Quiz Night. Eddie needs some help. You have 30 seconds, Eddie. Here she is

Eddie Hi. Sandra?

Sandra Yes.

Eddie Listen. It's the last question. "It's better to exercise in the morning than in the afternoon." True or false? I think it's false.

Sandra Uh, I think it's true. I always see people running in the park in the morning...

Eddie Google it. Quickly. On your phone.

Sandra What do I put in?

Eddie That sentence and see what comes up! It's better to exercise in the morning than in the afternoon." Come on!

Sandra OK, I'm typing it. Oh sorry, I just got a message.

Eddie Hurry up, Sandra!

Host Time's up, I'm afraid. OK, Eddie. So, true or false?

Eddie Uh. True.

Host Final answer?

Eddie Final answer. True.

Host I'm sorry, Eddie, it's false. It's better to exercise in the afternoon, between 4:00 and 5:00. Eddie, you had \$6,400, but now you go home with...nothing.

Eddie Why did I call Sandra? Why didn't I call my friend Dave?

Interviewer Gunnar, can you give us a quick update on your trip?

Gunnar OK, so we left Istanbul 20 minutes late, at 1:30 in the morning – not a good start. But we arrived in Casablanca more or less on time. We visited the mosque at 4:30 in the morning. We couldn't go inside though - we just saw it from the outside! Then we went back to the airport and flew to Paris. When we arrived, we rushed outside and took some photos, and then went back in to a different terminal. It was really stressful, the most stressful part of the trip - but we got to the gate just in time for our flight to Punta Cana. When we got there, we went to a beach that was about 12 miles from the airport, and we relaxed there for a little bit, and then went back to the airport and got our flight to Caracas. And we arrived here at 10:00 at night, and we officially entered the country at 10:15. So - five continents in one day! We did it!

10.12

If you're thinking of taking a vacation or traveling somewhere nice, the planning can be complicated. The internet is full of reviews of hotels, restaurants, and attractions. There are so many different ways of traveling, and thousands of places to go. Where do you start? Why not follow these three simple steps to find the right vacation for you.

Step 1. Think about what you want to do on your vacation. The first thing people usually try to decide is where they want to go, but it's probably

better to start by thinking about what you want to do. Do you want to relax? Then think about how you relax. For example, do you like reading, or doing yoga, or do you like doing something more active? Do you want to go somewhere completely different? Do you want to visit an exciting new city, or see some scenery and animals that are different from where you live? Seeing something completely new is a great way to forget about your normal life. Do you want to go on an adventure? Perhaps you're dreaming about climbing Everest or living with an African tribe. You could use your vacation to make one of those dreams come true. Do you want to learn something new? Not everybody wants to sit in a classroom learning Spanish or be in a kitchen learning to cook when they're on vacation, but some people love it. And nowadays, you can take courses in many countries and experience a

different culture at the same time. So now, Step 2. Think about the people you're going to go with. Are they family or friends? Do they have children? What do they want to do? People have different needs and interests, and if you're all going to enjoy the vacation, you need to make sure you all want the same things. But if what you really want to do is to meet new people, maybe it would be better to travel alone. And finally, Step 3. Think about good vacations you had in the past. Why were they good? Maybe it was the people you were with. Maybe it was something you learned, or an experience you had. What can you repeat from those vacations? Of course, there are always other things you need to consider, like how much money you can spend, and how much time you can be away. But first, follow these three steps, and then you're ready to start thinking about where you want to go!

10.15 Part 2

Jane Well, I have a problem with my boyfriend. We argue all the time. I'm not sure that he loves me. I want to know if we're going to stay together.

Jim Please choose five cards, but don't look at them...Ah, this is a good card. This means you're going to be very lucky.

Jane But am I going to stay with my boyfriend? Jim Maybe...We need to look at the other cards first.

10.17

Part 4

Jim Now I can see everything clearly. You're going to leave your boyfriend and go away with the other man, with Jim...to another country. And very soon, you're going to get married

Jane Married? To Jim! But am I going to be happy with him?

Jim You're going to be very happy together. I'm

Jane Oh no, look at the time. I'm going to be late for work.

The first thing that I really noticed when I arrived here was how incredibly friendly the people are. The "ticos" - that's what they're called - are much friendlier than people from my home country. They always say buenos días to you, even if they don't know you. And if something's good, like a beautiful day or a good meal, they say pura vida, which I love. It literally means "pure life," but I think it really means "things are great," or something like that. One thing that can be difficult though, their sense of time is completely different from ours - they call it "tico time." If they have an appointment at, let's say, seven in the evening, they probably leave home

at seven oʻclock, so theyʻre always late. Luckily, my school works on what they call "British time," so classes start punctually!

Another thing that surprised me was the weather. I thought Costa Rica was hot and sunny all the time. That's true in the dry season, and the temperature's about 77 degrees all year round, but in the rainy season, especially in September and October, it rains really heavily for maybe two hours a day. Really amazing rain, nothing like at home

Everyone told me that the scenery was beautiful in Costa Rica, but it was even more beautiful than I expected. Incredible animals, birds, trees - and volcanoes. Some of them are active and smoke quietly, and then suddenly there's a big bang and they start erupting. I was very frightened the first time it happened.

What else? Uh, I thought that life here was going to be very cheap, but in fact, food is very expensive, especially imported food. The only thing that's cheap is fruit, vegetables, and coffee wonderful, wonderful coffee. And the fruit and vegetables are very different from what we have at home. One day, I went to a market and I didn't recognize any of the fruit.

I like San José. I don't feel that it's dangerous, but it probably is. A colleague of mine was in a taxi the other day, and the taxi driver robbed him of his money! And the roads are terrible, especially in the rain! But in general, I love it here.

A I What kind of phone do you have?

A I have an iPhone.

How old is it?

A Uh, about two years old.

How often do you change phones?

A Not very often, I would say. I like to, uh, I'm not particularly worried about having the latest phone. I just want one that works well. Uh, I usually keep my phone about four years - if I don't lose it, that is.

What do you use your phone for the most?

Probably the internet. And messaging. Things like Snapchat, Facebook Messenger.

So you don't use it much to actually talk to people?

A No, I don't.

I What other apps do you use a lot?

A I use the weather one a lot. And I have a couple of games I like playing. And Skype. I use Skype from time to time to talk to my brother because he lives in Toronto.

Do you have any unusual apps that you sometimes use?

A I have one to track the food that I eat, but I don't use it every day. And I have a photo-editing app.

B I What kind of phone do you have?

B An Android smartphone. A Samsung, uh, Galaxy, I think.

Is it new?

B About six months old.

How often do you change phones?

B About every two to three years.

What do you use it for the most?

Receiving phone calls from other people, or looking up things on the internet.

What apps do you have that you use a lot?

B An online banking app. I use that a lot. Email, of course. And the Kindle app, the e-reader.

Do you like reading on your phone?

B No, I prefer reading real books, paper books, but I always have my phone with me so there are lots of times like, on the bus or if I'm waiting for somebody, I can read a book on my phone.

Do you have any unusual apps that you sometimes use?

B Uh, I have an app so I can order a taxi from my local taxi company.

C I What kind of phone do you have?

C An iPhone.

I How often do you change your phone?

C When my contract lets me upgrade it, which is, I don't know, every two or three years.

What do you use your phone for the most?

C Uh, email, text messages, internet, and phone, I mean, talking. In that order.

What apps do you use a lot?

C Apart from mail and Google, you mean?

I Yes.

C Uh, Twitter, uh, CNN news, and various transportation apps for buying train tickets or seeing what time they are.

Do you have any unusual apps that you sometimes use?

C I have a "night sky" app. If it's a starry night, I sometimes use that. You point your phone at the sky and it tells you the names of the stars and planets and things.

A Yes, I have. I drive a lot for my job, several hours a day, and I like listening to books - it's much better than listening to the radio. I probably listen to a couple of books every week.

B Yes, I've seen Blade Runner at least ten times. It's a really great movie, I never get tired of it, I always notice something new.

C No, never. I've definitely fallen asleep watching TV, but never at the movies.

D Yes, I have. When I'm stressed, I sit on the couch with my blanket, turn on Netflix, and spend the evening watching my favorite TV show, Parks and Recreation. I can easily watch four or five episodes one after the other.

No, I haven't. It usually takes me a long time to finish a book, so I never read them again.

Yes, I bought the soundtrack of Catching Fire, you know, The Hunger Games, after I saw the movie. It has some amazing music: Coldplay, Imagine Dragons, Christina Aguilera.

Alison Let's go out for dinner next Saturday. We can celebrate the end of the semester.

Brett Good idea. Where?

Alison Let's try somewhere new, somewhere that we haven't been to before.

Brett Yeah, good idea.

Clare How about that Indian restaurant near the train station, Curry Up?

Joe Curry Up? I've been there. It wasn't very good. Clare OK. Joe says it's not great. What about Chinese then? Somebody told me The Great Wall is very good.

Alison Yeah, I haven't been there, but people say it's areat.

Joe The Great Wall? I've been there. I went there last week. It's good, but I don't really want to

Brett Well, there's a new Thai place, Thai-Chi. It opened just recently.

Joe Thai-Ćhi? I've been there, too. I went on Wednesday.

Alison Well, I don't know. Have you been to Mexican Wave?

Joe Mexican Wave? Yes, I have.

Alison When did you go there?

Joe Last month. I went for dinner with people from work.

Alison The Acropolis? That Greek place? Brett I'm sure Joe's been there!

Joe No, I haven't. I haven't been to The Acropolis. But it closed a few months ago.

Brett Oh, this is ridiculous!

Alison OK, Joe, here's the answer. You cook dinner for us!
