OUR AFRICAN ADVENTURE

Last year, I went on a safari holiday in **Kenya**. I went with my wife, Anita, and my brother, Paul, and his wife, Maria.

We stayed on a luxury campsite. We had a huge tent. It was great! We had four big beds in it and our own bathroom with hot safari showers. We loved relaxing in our tent after a day on safari.

Every day we saw a lot of different animals. We saw lions, zebras and elephants – it was amazing. One evening, we even saw a family of giraffes. The baby giraffes were so lovely; my wife loved every moment.

Paul and Maria got married one year ago. For their wedding anniversary they went up in a hot-air balloon above the savannah. My brother was very happy because he loves to do exciting things.

My wife was happy because she loved all the different types of food. Every night we had different things to eat and it was always delicious. On the last night, there was a big party and a band played traditional African music. It was great! The weather was hot and sunny all the time we were there. We had a fabulous time, and we all want to go back one day.
