A Scan the article about Gael García Bernal. Where is he from? What does he do?

Gael García Bernal was born in 1978 in Guadalajara, Mexico. As a child, he began to act, and when he was a teenager, he became a star in television soap operas. He decided to go to London to study acting when he was 19. While he was in London, Mexican director Alejandro González Iñárritu invited him to act in the film *Amores Perros*. When it was released in 2000, *Amores Perros* immediately made Gael García Bernal known to the world.

Gael later made many other successful films. With the Mexican actor Diego Luna, he co-starred in *Y tu mamá también* in 2001, a film about two upper-class Mexican teenagers. In 2002, he won the Ariel, Mexico's most important film award, for *El Crimen del Padre Amaro*, the story of a young priest in a small town. Two years later, he worked with the Brazilian director Walter Salles on *The Motorcycle Diaries*, the story of a young Ernesto "Che" Guevara's journey by motorcycle through South America. That same year, Gael worked with the Spanish director Pedro Almodóvar on *Bad Education*. In 2007, Gael directed his first film, *Déficit*, which was about people at a weekend party in Mexico.

As you can see, Gael García Bernal is an international star who works on films in different languages. One of Gael's more recent projects is *Mozart in the Jungle*, an American TV show mostly in English. Gael won a Golden Globe Award in 2016 for playing the lead role, the talented conductor Rodrigo.

Despite his busy career, Gael spends as much time as possible with his son Lázaro and his daughter Libertad. He also likes to sing and make music when he is not acting.

A Scan the article about making wishes. Which three countries does it refer to?

MAKING WISHES

All over the world, people have always wished for things such as peace, love, good health, and money. Over hundreds of years, people in different countries have found different ways to make wishes. Here are some interesting examples.

The Trevi Fountain in Rome, Italy, is a place where many people go to make a wish. The water from the fountain flows into a large pool of water below. To make a wish, visitors stand facing away from the fountain. Then, they use their right hand to throw a coin into the pool over their left shoulder. They believe this will bring them luck and bring them back to Rome one day. The coins in the fountain, several thousand euros each day, are given to poor people.

A very different way of making wishes happens in Anhui province in eastern China. Huangshan (which means "Yellow Mountain") is famous for its beautiful sunrises and sunsets. That's why people think it is a very romantic place. Couples go there to make a wish that they will stay together forever. Each couple buys a "love lock," or padlock, with a key. Next, they lock their padlock to a chain at the top of the mountain. Then they throw the key down the mountain so that their lock can never be opened.

In Turkey and some neighboring countries, May 5th is a special day for making wishes. People believe that each year on that day two wise men return to Earth. They come to help people and give them good health. In the evening, there are street food markets selling different kinds of seasonal food and musicians playing traditional music. People write their wishes on pieces of paper and then attach the paper to a tree. Nowadays, however, some people go online and send their wishes to special websites.

ALLERGIES

ANDREW was sneezing all of the time. He took an aspirin every morning for a week before he decided to see a doctor. She told him that he had hay fever, an allergy to the pollen from the juniper trees that grew in the area where Andrew lived. The doctor suggested an anti-allergy medicine that he had to take three times a day. But Andrew didn't get completely well until he also bought an air filter to clean the air in his apartment.

MARIANA loved her cat Lucy very much, but her eyes were always red and irritated. She discovered she had an allergy to her cat! She tried to pet Lucy less, but that didn't work. Her friends advised her to give Lucy away, but Mariana couldn't do that. Instead she changed where Lucy could go. Lucy was no longer allowed in Mariana's bedroom. Mariana made a little bed for Lucy in the garage. Mariana played with her cat outside because fresh air is best for cat allergies.

It was a very sad day when **ERIC'S** mother told him he shouldn't eat his favorite food anymore. He had a food allergy, she said, and peanut butter was the problem. A Scan this article. What is different about the two computer apps for children's chores?

ChoreMonster is an app that allows parents to set up a chart of chores on a computer or cell phone for their children. When the kids complete their chores, they win cute little monsters that can be added up for a reward that their parents have agreed upon. For chores like cleaning their room, vacuuming the house, or washing the car, kids can earn a toy or something fun to do.

But wait! Will the cute little monsters that satisfy children between the ages of four and twelve satisfy a teenager? Let's take a look at another app to see what can happen when children become teenagers.

VexBox is not an app based on rewards. Instead, it is designed to frustrate, or vex, teenagers who don't do their chores. VexBox slows down computer connections until the teen completes a chore. It can take teenagers ten minutes to download their favorite song! The idea is that teens will do anything, even their chores, so they can get back to using the Internet at full speed.

Most teens do not like VexBox. That's the idea, of course. If they do their chores, then their parents won't use it!

B Read the article. Then answer these questions in your own words.

1. Do you think computer apps for chores are a good idea? Why or why not?
